Pursuant to Section 213 of the Clean Air Act (42 U.S.C. section 7547) and 40 CFR 1051, and subject to the terms and conditions prescribed in those provisions, this certificate of conformity is hereby issued for the following snowmobile engine family, more fully described in the documentation required by 40 CFR 1051 and produced in the stated model year. This certificate of conformity covers only those new snowmobile engines which conform in all material respects to the design specifications that applied to those engines described in the documentation required by 40 CFR Part 1051 and which are produced during the model year stated on this certificate of the said manufacturer. This certificate of conformity does not cover snowmobile engines imported prior to the issue date of the certificate.

If applicable, this certificate of conformity is conditional upon compliance of said manufacturer with the averaging, banking and trading provisions of 40 CFR Part 1051, subpart H. Failure to comply with these provisions may render this certificate void *ab initio*.

It is a term of this certificate that the manufacturer shall consent to all inspections described in 40 CFR 1068.20 and authorized in a warrant or court order. Failure to comply with the requirements of such a warrant or court order may lead to revocation or suspension of this certificate for reasons specified in 40 CFR 1051 and 40 CFR 1068. It is also a term of this certificate that this certificate may be revoked or suspended or rendered void *ab initio* for other reasons specified in 40 CFR 1051 and 40 CFR 1068.

This certificate does not cover snowmobile engines sold, offered for sale, or introduced, or delivered for introduction, into commerce in the U.S. prior to the effective date of the certificate.
